MEMORANDUM FOR THE RECORD:

25X1A9a

25X1A9a

I met with [REDACTED] of DD/P today at my initiative to discuss the next step in our liaison arrangements with Gen. Donovan [REDACTED]. We agreed that Gen. Donovan should be advised insofar as possible of the intelligence being presented and the action being taken to block Soviet procurement of strategic materials. I agreed to provide [REDACTED] with a list of the 22 most critical items and dossiers on 10 of the blackest individuals on our black list. In the meantime, [REDACTED] agreed to consider the form that this next briefing should take and the extent to which Donovan should be advised as to contemplated action. He promised to call me as soon as he has made his plans on this matter.
